

# FRAMEBUILDING<sup>NEWS</sup> POST-FRAME 2021 DIRECTORY

**Y**ou will find this, the 2021 Post-Frame Directory, to be more inclusive than the 2020 Directory. We've fine-tuned our process a bit, and made significant efforts to include those suppliers and manufacturers that will be able to provide your business with the materials you need to succeed in 2021 and beyond. It is a resource for the entire post-frame industry to be retained and referred to throughout the year.

The Builder/Contractor section (p. 22) also returns in this issue. They are organized by state so you can easily find the information you need.

We have two brand new sections this year. One is dedicated to Component Manufacturers (CMs, p. 18) and the other to Building Designers (p. 26). We give our sincere thanks to Sean Shields of the Structural Building Components Association (SBCA) for providing us with

the contact information for CMs who can supply the components you need.

Whether you are a builder, designer, engineer, building owner, or commercial developer—look no further for suppliers, component manufacturers and contrac-

tors who can provide the products and services to enhance your next project.

If you would like to see something added (or changed) in next year's Directory, contact me at [karen@shieldwallmedia.com](mailto:karen@shieldwallmedia.com) or 715-513-6767. **FBN**

## PRODUCT PROFILES

30 Building Packages

31 Doors

33 Equipment, Machinery  
& Tools

34 Farm & Ranch Products

35 Fasteners

37 Trusses, Foundation  
Products & Columns

39 Insulation

40 Miscellaneous

41 Moisture Control  
& Ventilation

42 Roof & Wall Panels

47 Snow & Rain Management

48 Software

49 Windows & Daylighting

**TWO HOURS IS ALL IT TAKES  
TO BEAUTIFUL STONE ACCENTS**

For a solid stone solution to knee wall and wainscoting applications, turn to the look and feel of Qora Cladding, Ashlar Stone. This easy-to-install, panelized system gives you more coverage, faster, with an aesthetic quality and 20-year warranty your homeowners will love.

**Features and Benefits:**

- ▶ Lightweight, transportable and durable
- ▶ Will not rot, decay, buckle or delaminate
- ▶ Expansive 6.6 SF of coverage per panel
- ▶ Panels will not burn or melt

Get to know Qora and see the difference, visit [qoracladding.com/builder](http://qoracladding.com/builder) or call (301) 223-2266 [marketing@arcitell.com](mailto:marketing@arcitell.com)
